Governmentwide Acquisition Contract (GWAC)

PRIME AWARD

Contract No. **80TECH26D0482**

- Prime contract holder — Category A, IT Solutions
- 10-year vehicle open to every federal agency
- AV, VTC, UC and IT products with integration, installation and sustainment in one order

GSA Multiple Award Schedule

Federal Supply Schedule — GSA Federal Acquisition Service

NEW AWARD

Contract No. **47QTCA26D00A9**

- Awarded 24 Sep 2026; current period through 23 Sep 2031
- Pre-negotiated pricing, terms and conditions
- Streamlined ordering under FAR Subpart 8.4 via GSA eBuy

COMPANY OVERVIEW

G-Star keeps federal missions connected. An SBA-certified Veteran-Owned Small Business experienced in secure federal environments, G-Star designs, secures, and sustains the audio-visual and unified-communications systems behind SCIFs, command centers, auditoriums, and enterprise collaboration spaces. Since 2012 we have delivered more than 430 federal projects for DoD and civilian agencies — engineering design, procurement, installation, preventive maintenance, rapid incident response, and program management, with a clean performance record. Agencies can now reach that full lifecycle directly through NASA SEWP VI and the GSA Multiple Award Schedule.

CORE COMPETENCIES

AV & VTC Design & Integration

System engineering, CAD/Revit design, installation, test, commissioning and as-builts for command centers, auditoriums, conference rooms and video walls.

Unified Communications

Microsoft Teams Rooms, Cisco, Poly, Crestron, Q-SYS and Dante; enterprise collaboration and VTC standardization across nationwide portfolios.

Secure Environments

SCIF (ICD 705) and Secure VTC (SVTC) design and sustainment for secure and controlled federal environments.

AV-as-a-Service & Service Desk

Tiered AVaaS sustainment backed by the AVOC — our 24/7 ITSM service desk powered by Zendesk, with ticketing, SLA clocks, asset registry and reporting.

AV Cybersecurity

AV-over-IP network segmentation, STIG-hardened endpoints, and NIST SP 800-171 / CUI-aligned practices.

Staffing & Training

Skilled IT/AV and professional staffing, on-site specialists, operator training and knowledge transfer.

FULL-LIFECYCLE DELIVERY

1 ENGINEERING & DESIGN ► 2 PROCUREMENT ► 3 INSTALL & INTEGRATE ► 4 TEST & COMMISSION ► 5 PREVENTIVE MAINT. ► 6 24/7 SUPPORT

WHY AGENCIES CHOOSE G-STAR

ACCOUNTABLE

Single-vendor ownership of the full AV/VTC lifecycle. No cure notices, no terminations, option years exercised.

SECURE

Secure-environment and SCIF / SVTC project experience, ICD 705, and NIST SP 800-171 / CUI practices.

EASY TO BUY FROM

NASA SEWP VI and GSA MAS shorten acquisition lead time; VOSB status supports small-business goals.

CAPABILITY STATEMENT

SECURE AV · UNIFIED COMMUNICATIONS · IT/AV STAFFING

NASA SEWP VI: 80TECH26D0482
GSA MAS: 47QTC26D00A9
UEI: ZX9LLMKMPAY9 CAGE: 6W9E8

REPRESENTATIVE PAST PERFORMANCE

- Internal Revenue Service (IRS)** AV & VTC INTEGRATION · UNIFIED COMMUNICATIONS · AVaaS
Turn-key VTC across 254 conference rooms in 101 offices, an auditorium and control-room upgrade, and an Agile Collaboration Center for a 200-person floor, sustained by nationwide UC/VTC and smart conference room maintenance. Our full design-build and sustainment model in one account.
- Naval Air Systems Command (NAVAIR)** AV & VTC INTEGRATION · AVaaS
Multi-site VTC hardware, installation, ancillary equipment, and annual maintenance, demonstrating full-lifecycle delivery from procurement through sustainment across a distributed DoD enterprise.
- U.S. Department of the Treasury** SECURE ENVIRONMENTS · AVaaS
Secure Video Teleconferencing (SVTC) systems maintenance and support, the secure-facility sustainment at the core of our secure-environment practice.
- National Science Foundation (NSF)** AVaaS · SERVICE DESK
Gold Service Level audiovisual maintenance and support, a direct example of our tiered AVaaS model with defined response and service levels.
- U.S. Marine Corps** AV & VTC INTEGRATION · AVaaS
Turnkey VTC systems, classroom AV installation, bridge support, and premium maintenance, pairing installation with ongoing support at operational commands.
- U.S. Department of Agriculture (FNS)** AV & VTC INTEGRATION · AVaaS
Audiovisual and videoconferencing systems, equipment, and ongoing maintenance for enterprise collaboration spaces.
- DHS / FEMA** PROCUREMENT
Multi-OEM IT equipment fulfillment on a compressed timeline, the same procurement capability behind our product-led SEWP VI and GSA MAS orders.
Also supported: SBA · DOT · DOJ · NOAA · DOL-OIG · USAGM · U.S. Army (MICC Ft. Detrick) · DoD-OIG · FDIC · Naval Research Lab · National Defense University · DOI · GSA.
Contract details and customer references available upon request.

KEY DIFFERENTIATORS

- Secure-environment AV / VTC experience
- No cure notices or terminations
- 500+ active federal service locations
- SBA 8(a) Program graduate
- NASA SEWP VI prime · GSA MAS holder
- ISO 9001:2015 quality management system
- AVIXA CTS-certified engineers on staff
- 50+ OEM and partner relationships

AV-AS-A-SERVICE (AVAAS)

Tiered AV sustainment

BRONZE SILVER GOLD PLATINUM

Each tier is delivered through the AVOC — G-Star's ITSM platform powered by Zendesk — giving the Contracting Officer and end users one accountable intake, measured SLAs, a managed asset registry, and performance reporting.
